10th March 2023

Dear Parents/Carers

Upcoming Staffing Changes

I am writing to inform you of two changes to staffing that are happening soon.

Mr Cox has been our Site Manager since July 2020, having joined us from the site team at a secondary school. He has recently been successful in securing a job in the electrical field, which is what his background is in. I just wanted to thank Mr Cox for all that he has done for our school in the last few years. It has been massively reassuring to have someone we can go to when things break or don't work. He will be very much missed. We have advertised for a new Site Manager and hope to interview this coming week. We will keep you posted when we appoint.

Secondly, I want to announce that Mrs Patterson will be leaving us this Easter. Mrs Patterson has been working at Brinsley School since she first qualified as a teacher in 2006. Mrs Patterson will be joining the leadership team of a larger Primary School closer to where she lives. It is hard to sum up all of the things that Mrs Patterson has done for Brinsley School over the last 16 years. Suffice to say that she has been an intrinsic part of the school and helped to make it the wonderful place that it is. While I am sad to say that she is leaving us, I also know that she will do great things at her new school. From after the Easter holiday Mrs Wingrove will be the full-time teacher in Year 1, while Mrs Langon will take on the role of SENCo at Brinsley Primary.

I am sure you will join me in wishing both Mrs Patterson and Mr Cox all the very best for these new chapters in their lives.

Yours sincerely

J Osprey
Head Teacher
