

Brinsley Primary and Nursery School

School photos and additional activities – Autumn 2020

We are required by law to retain a photo of each pupil as part of our educational record. We sometimes wish to use digital images, e.g. photos, videos, audio recordings to enhance education provision, inclusion and recreation. When this is the case we will seek the consent of the parent/carer, or where pupils are aged 12 or above, from the pupil themselves. Where consent has been provided for the use of images, and the pupil has left the school, we will rely on legitimate interests as our legal basis when retaining digital images for archiving purposes.

As we will be relying on consent when displaying or publishing digital images, that consent can be withdrawn at any time simply by contacting the school. Every effort will be made to delete the images, but please note that where consent has been provided for the publication of the images, the school may not be able to locate and delete the image on request, although reasonable steps will be taken to do so.

The school is the Data Controller for this information. This information may be shared in order to celebrate successes or promote our education services. Please note we only share information required for that particular purpose and then only the minimum required. We may share digital images with your consent with:

- The school website provider
- Local media (eg. Parish Newsletter, Nottingham Post)
- School photographer
- Nottinghamshire Records Office
- Social Media platforms
- Anomaly Board
- Online management tools (Eg. Class Dojo, Showbie, Seesaw)
- Online Assessment Reports – Evidence Me (FS1 and 2 only)
- Displays and photo books
- Newsletters
- The school YouTube channel

Digital images are not routinely available outside of the UK, except for some online management tools named above. However, where digital images are used on social media, in publications, or on our website we cannot restrict the access to such images to the UK. These all require parental permission. This information is held by the school office for each pupil. Parents/Carers are able to change their preferences at any point.
